RE: Willow Creek HOA Website - willowcreekhoa.ca

Dear Owners,

If you haven't already done so, I urge you to visit The Willow Creek HOA Website at willowcreekhoa.ca.

We would like to thank Ross Krill for all the work he has put into the development of this site. I am sure it is going to prove to be a very valuable tool in helping us communicate what is happening in our community. The website has a link that you can use to communicate with the board or just send any information that you think would benefit other owners by simply using the info@willowcreekhoa.ca email address. If you have a question on a specific subject, you can contact me directly at my email below.

Once subscribed, you will receive automatic email updates of any notices or communications that are posted on the website.

There are 2 ways to register:

1. Go to www.willowcreekhoa.ca and click on "Subscribe" on the top of the page, or
2. Go to <http://bit.ly/1NHGiCH>

Thank you and we look forward to your comments.

Regards,
